- 1.4.2 The entire issued share capital of the Company is held indirectly by the Parent. The Company's immediate shareholder is Provident Financial Holdings Limited. The Company does not trade and, in the event that the Scheme becomes effective, its sole purpose will be to implement the terms of the Scheme.
- 1.4.3 The Company entered into the Deed Poll on 14 March 2021 pursuant to which, amongst other things, it agreed, as a primary obligation:
  - (a) in favour of each Redress Creditor, to pay to that Redress Creditor all sums from time to time due and payable to it by a Lender in respect of any Redress Liability owing by that Lender to the Redress Creditor; and

- (b) in favour of the FOS, to pay to the FOS all sums from time to time due and payable to it by a Lender in respect of FOS Fees (as defined in the Deed Poll).

1.5 The purpose of the Scheme

- 1.5.1 The purpose of the Scheme is to provide a mechanism for assessing the Scheme Claims of Scheme Creditors and to secure a better return for Scheme Creditors in respect of their Ascertained Scheme Liabilities than they would receive if the Scheme did not become effective.
- 1.5.2 The Scheme will achieve this by putting in place a simple and cost effective method for determining the Ascertained Scheme Liabilities owed to Scheme Creditors and distributing the Compensation Fund to those Scheme Creditors in accordance with Part 5.

1.6 The Effective Date

- 1.6.1 The Scheme shall become effective, and bind the Company and the Scheme Creditors, from the Effective Date.
- 1.6.2 Within 30 calendar days of the Effective Date, the Parent shall pay the Compensation Fund into the Company's Account.

1.7 Undertaking to be bound

The Parent has given and not withdrawn, an undertaking to be bound by the obligations conferred upon them in the Scheme with effect from the Effective Date.

2. **PART 2 – THE SCHEME**

2.1 Application of the Scheme

2.1.1 The Scheme shall apply to all Scheme Claims and bind all Scheme Creditors.

2.1.2 The Scheme shall not affect the rights of creditors in relation to any Excluded Liability.

2.2 Proceedings relating to Scheme Liabilities

2.2.1 Scheme Creditors are not permitted to commence or continue any Proceedings against the Company or any Lender, in any jurisdiction, in respect of a Scheme Claim nor to otherwise establish the existence or amount, or procure the payment, of a Scheme Liability.

2.2.2 No order, judgment, decision or award obtained by a Scheme Creditor in breach of Clause 2.2.1 shall give rise to an Ascertained Scheme Liability and may be disregarded when determining the Scheme Liability of the Company in respect of the relevant Scheme Claim or any Liability of a Scheme Creditor to the Company. The Scheme Creditor shall not seek to rely on such an order, judgment, decision or award to evidence a Scheme Claim and shall have no right to enforce the order, judgment, decision or award.

2.2.3 If any Scheme Creditor takes any action in breach of Clause 2.2.1, it shall, without prejudice to any other rights of the Company, be treated as having received an advance distribution on account of its Scheme Liability equal to the amount or gross value of any money or benefit obtained by it at the expense of the Company as the result of such action, and the extent to which it is entitled to participate in any distribution from the Compensation Fund shall be determined accordingly.

2.3 Compensation Fund to be applied in accordance with the Scheme

2.3.1 The Company shall establish and maintain a bank account (the "**Account**") for the purposes of the Scheme and the holding of the Compensation Fund.

2.3.2 The Compensation Fund shall:

(a) only be used for the purposes set out in the Scheme in accordance with Clause 2.3.3; and

(b) not be subject to any set-off or netting arrangements with any party, including the Company's bankers.

2.3.3 The Compensation Fund is to be applied in making payments in respect of the Ascertained Scheme Liabilities in accordance with Part 4.

2.4 Enforcement of Scheme Claims

Scheme Creditors are not permitted to commence any Proceedings against the Company, any member of the Company's Board, the Lenders, any member of the Board of either Lender, the Scheme Adjudicator or the Scheme Supervisors in any jurisdiction to enforce payment of a Scheme Claim (including but not limited to any Ascertained Scheme Liability) or any part of it, except that a Scheme Claimant may commence Proceedings against the Company where the Company has failed to pay an Ascertained Scheme Liability in breach of Part 4 or otherwise to enforce compliance with the terms of the Scheme.

2.5 Debt Reduction

2.5.1 Where there are mutual credits, mutual debts or other mutual dealings between any Lender and a Scheme Claimant such that there is a Cross-Liability as at the Implementation Date, the amount of such Cross-Liability owed by the Claimant shall be deducted from the amount of the

## Section II: The Scheme

Gross Scheme Liability owed to the Scheme Claimant (if any) in order to determine such Scheme Claimant's Ascertained Scheme Liability. Only the balance (if any) of any Gross Scheme Liability following the deduction of any such Cross-Liability shall constitute that Scheme Claimant's Ascertained Scheme Liability (once the same has been agreed or otherwise determined in accordance with Clause 4.7.7, 4.7.9, 4.8.6 or 4.9).

- 2.5.2 Where the amount owed in respect of a Cross Liability is deducted from the amount owed in respect of a Gross Scheme Liability, the Company shall procure that the Lender to whom such Cross Liability is owed shall fully and finally release and discharge the Scheme Creditor from the amount of such Cross Liability applied in such deduction.

### 2.6 Post Implementation Date Payments to a Lender

To the extent that any Post Implementation Date Payments are made by a Scheme Claimant to a Lender and such Post Implementation Date Payments are greater than the Remaining Outstanding Loan Balance owed by that Scheme Claimant to such Lender, (such excess being the "**Refund Amount**" for the purpose of this Clause 2.62.8), the Parent shall repay the Refund Amount to the Scheme Claimant in accordance with Clause 5.1.2.

### 2.7 Debt Reduction in respect of Transferred Loans

- 2.7.1 The Company shall use reasonable endeavours to enter into a Balance Reduction Agreement with each Debt Purchaser in respect of the Transferred Loans.

- 2.7.2 In the event that a Debt Purchaser enters into a Balance Reduction Agreement by the Claims Submission Deadline (such Debt Purchaser being a "**BRA Debt Purchaser**"), any Transferred Loan Liability owed by the Scheme Claimant to the BRA Debt Purchaser shall be deducted from the amount of any Gross Scheme Liability owed by the Company to that Scheme Claimant in order to determine such Scheme Claimant's Ascertained Scheme Liability, if any. Only the balance (if any) due from the Company to the Scheme Claimant, following the deduction of such Transferred Loan Liability from such Gross Scheme Liability shall constitute that Scheme Claimant's Ascertained Liability (once each of the same has been agreed or otherwise determined in accordance with Clause 4.7.7, 4.7.9, 4.8.6 or 4.9).

- 2.7.3 Where the amount owed in respect of a Transferred Loan Liability is deducted from the amount owed in respect of a Gross Scheme Liability, the Company shall procure that the relevant BRA Debt Purchaser to whom such Transferred Loan Liability is owed shall fully and finally release the Scheme Creditor from the amount of such Transferred Loan Liability applied in such deduction.

- 2.7.4 In the event that a Debt Purchaser does not enter into a Balance Reduction Agreement by the Claims Submission Deadline, any Liability owed by a Scheme Claimant to a Debt Purchaser under a Transferred Loan will not be deducted from any Gross Scheme Liability owed by the Company to that Scheme Claimant in order to determine that Scheme Claimant's Ascertained Scheme Liability.

### 2.8 Post Implementation Date Payments to a BRA Debt Purchaser

To the extent that any Post Implementation Date Payments are made by a Scheme Claimant to a BRA Debt Purchaser and such Post Implementation Date Payments are greater than the Remaining Outstanding Loan Balance owed by that Scheme Claimant to such BRA Debt Purchaser, (the excess being the "**Refund Amount**" for the purpose of this Clause 2.8), the Company shall use reasonable endeavours to procure that each Balance Reduction Agreement provides that Refund Amounts shall be paid by or on behalf of the BRA Debt Purchaser to the Scheme Claimant in accordance with Clause 5.1.2.

### 2.9 Scheme Costs

The Parent shall pay the Scheme Costs in accordance with the terms of the Funding Deed.

2.10 Representatives of Scheme Creditors

2.10.1 Where a Scheme Creditor has notified the Company in writing that it has appointed a representative to act on its behalf, or the representative has notified the Company that it is duly authorised to act on behalf of a Scheme Creditor and supplied evidence satisfactory to the Company to support this (the "**Representative**"), the Scheme Creditor hereby agrees that the Company shall be entitled to treat the Representative as fully authorised to represent the relevant Scheme Creditor for all purposes in connection with the Scheme.

2.10.2 The Company shall be entitled to address any notifications or other communications under the Scheme to the Representative. The Company shall not have any liability to a Scheme Creditor arising from the operation of this clause.

- 4.7.11 For the avoidance of doubt, the Company shall be entitled to request that the Scheme Adjudicator consider a Disputed Scheme Claim:

- (a) on an individual basis; or

4.7.12 For the avoidance of doubt, a Transferred Loan Liability shall be the amount notified by the Debt Purchaser to the Company under or in accordance with the terms of any Balance Reduction Agreement. In the event that a Scheme Creditor disagrees with the Debt Purchaser's determination of its Transferred Loan Liability, the Scheme Creditor shall resolve such disagreement directly with the Debt Purchaser, and such disagreement shall not be the subject of the Scheme Adjudication Procedure.

#### 4.8 The Scheme Adjudication Procedure

4.8.6 Save as set out in Clause 4.9, any notice given by the Scheme Adjudicator under Clause 4.8.5 shall be a final and binding determination of the Disputed Scheme Claim and as to the amount of the Ascertained Scheme Liability, including any Cross-Liability, (if any), to the extent the law permits, and the Scheme Claimant and the Company shall have no right of appeal or review, or any right to commence any Proceedings, in respect of either the Scheme Adjudicator's determination or the procedure they employed.

A final decision made by the FOS in respect of a Scheme Claim appealed to it in accordance with this Clause 4.9 shall be an Ascertained Scheme Liability. In the event that the FOS declines to issue a further decision or adjudication in respect of a Scheme Claim referred to it, the Scheme Claimant's Ascertained Scheme Liability (if any) in respect of that Scheme Claim shall be the amount determined by the Scheme Adjudicator.

#### 4.10 Variation of time limits

In relation to Clause 4.8.4, the Scheme Adjudicator shall also have this discretion. **7.3 Powers of the Scheme Supervisors**

- 7.3.1 The Scheme Supervisors shall have all of the powers necessary or desirable to enable them to discharge their duties and responsibilities under the Scheme (although it is acknowledged that the Scheme Supervisors cannot exercise any power that would result in them assuming control of the Company's affairs so as to supplant the Company's Board).

- 7.5.2 The Scheme Supervisors shall not be liable for any loss resulting from any act they do or omit to do, unless any such loss is attributable to their own wilful neglect, breach of statutory duty, breach of trust, fraud or dishonesty.
- 7.5.3 Nothing in this Clause 7.5 shall prevent the liability of the Scheme Supervisors for negligence.

- 7.6.3 Where no Scheme Supervisor is in office, pending the appointment of a replacement Scheme Supervisor in accordance with Clause 7.6.2, the Company shall discharge the functions of the Scheme Supervisor under the Scheme.

8. **PART 8 – COMPLETION AND TERMINATION OF THE SCHEME**

Schedule 1: Claims Methodology in respect of Redress Claims

SCHEDULE 1  
CLAIMS METHODOLOGY IN RESPECT OF REDRESS CLAIMS

1. The Company will carry out a number of checks and tests on a Redress Creditor's Loan history. It will use:
  - (a) information already held by it, the Lenders and credit reference agencies; and
  - (b) information given by the Redress Creditor in the Claims Portal or on the Claim Form.

The Company will use this information to determine if a Redress Liability is owed to the Redress Creditor.

2. The claims methodology assessment is split into four tiers, with the criteria in the early tiers including higher indicators of unaffordable lending compared to the criteria in the later tiers.
3. Tier 1: In a tier 1 assessment ("**Tier 1**") the Company will consider (i) whether there has been significant, repeat lending over a short period of time, (ii) the status of a Redress Creditor's County Court Judgments at the issue date of a Loan and (iii) discrepancies between a Redress Creditor's declared credit commitments and the credit referencing agency information. Indicative factors that will fall into Tier 1 include:
  - (a) if a Redress Creditor had 8 Loans in a 2 year period;
  - (b) if a Redress Creditor had an uncleared County Court Judgment against them;
  - (c) if the Lenders did not carry out the right checks on the Redress Creditor's Loan application.
4. Tier 2: In a tier 2 assessment ("**Tier 2**") the Company will focus on those Redress Creditors who have had five to seven Loans issued within a 24 month period with more focus on the Redress Creditor's financial position at the issue date of the Loan and the purpose of the Loan. Indicative factors that will fall into Tier 2 include:
  - (a) there was less than a 3 month gap between the issue date of the Loans;
  - (b) the total Loan balance doubled in a one year period;
  - (c) the Loan was used to refinance a previous loan.
5. Tier 3: In a tier 3 assessment ("**Tier 3**") the Company will consider the Redress Creditors' financial position at the time of issue. Indicative factors that will fall into Tier 3 are:
  - (a) if there was an active and recent default on file;
  - (b) if there was an unusual pattern of borrowing;
  - (c) declining payment performance;
  - (d) increasing Loan amounts; and/or
  - (e) high arrears.

6. Tier 4: In a tier 4 assessment ("**Tier 4**") the Company will focus solely on whether issuing of multiple Loans were issued on the same date to the same Redress Creditor.
7. No one check will be used to decide whether the Loan was unaffordable and each Redress Claim will be looked at using the information above.
8. If these checks show that the Loans should not have been made to a Redress Creditor, the Company will determine the Redress Liability by taking the amount of interest the Redress Creditor paid above the amount of the Loan received by the Redress Creditor and applying Compensatory Interest (being 8% per annum from the time the Redress Creditor took out that Loan to the Implementation Date).

Schedule 1: Claims Methodology in respect of Redress Claims

9. The Company will then deduct the amount outstanding under any Loans that the Redress Creditor continues to owe to the Lenders. This will include any Loans that the Lenders have written off. To the extent that a Loan has been sold to a Debt Purchaser no deduction will be made to reflect the amount outstanding under that Loan, except where that Debt Purchaser has entered into a Balance Reduction Agreement, in which case the amount outstanding under that transferred Loan will also be deducted.

  - 1.2 The Release shall not include a release of any rights of equitable set-off or similar rights that the Scheme Creditor who submits a Scheme Claim by the Claims Submission Deadline has or may have, against the Lenders or any other person but only to the extent that such right has to be preserved for the purpose of asserting equitable set-off or similar rights as a defence to a debt enforcement claim being brought by a Debt Purchaser or any other person other than the Company or the Lenders in respect of that Scheme Creditor's outstanding Loan balances (if any).

## Section II: The Scheme

### Schedule II: Release Deed

- 1.3 All rights against the Lenders preserved under Clause 1.2 shall be forever released and discharged by the Scheme Creditors on the Claims Submission Deadline to the extent that such Scheme Claims have not been submitted to the Company by the Claims Submission Deadline.
- 1.3 The Release will take effect on the date of this Deed.
2. Execution, Counterparts and Amendment
- 2.1 This Release Deed may be executed in any number of counterparts, and by each of the Parties on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument.
- 2.2 This Release Deed may not be amended, varied or modified nor any provision waived except with prior written consent of each party to this Release Deed provided that any amendment which adversely affects the rights of a person who is a beneficiary of a release or waiver hereunder but is not a party hereto may not be made without that person's prior written consent.
- 2.3 In the event that any release or waiver given by a party hereto (the Releasor) in favour of another party hereto or other beneficiary hereunder (the Releasee) is found by a court of competent jurisdiction to be unenforceable (an "**Unenforceable Release**"), the Releasor agrees that it shall not (and shall not instruct, encourage or support any other person to) bring or join any action, claim or suit or other proceedings of any kind against the Releasee in relation to or arising out of any matter or thing which was the subject of such Unenforceable Release.
3. Invalidity
- Each of the provisions of this Release Deed is severable. If any such provision is held to be or becomes invalid or unenforceable in any respect under the law of any jurisdiction, it shall have no effect in that respect and the Parties shall use all reasonable efforts to replace it in that respect with a valid and enforceable substitute provision the effect of which is as close to its intended effect as possible.
4. Third party enforcement rights
- 4.1 The specified third-party beneficiaries of the Release shall, in each case, have the right to enforce the relevant terms by reason of the Contracts (Rights of Third Parties) Act 1999. The rights of any such third-party beneficiary are subject to the other terms and conditions of this Release Deed.
- 4.2 Except as provided in Clause 4.1, any person who is not a party to this Release Deed shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.
5. Governing law and jurisdiction
- 5.1 This Release Deed and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.
- 5.2 The courts of England shall have exclusive jurisdiction to settle any dispute including a dispute relating to the non-contractual obligations arising out of or in connection with this Release Deed.
- 5.3 The English courts are the most appropriate and convenient courts to settle any dispute in connection with this Release Deed. Each of the Parties irrevocably waives any right that it may have to object to an action being brought in those Courts, to claim that the action has been brought in an inconvenient forum, or to claim that those Courts do not have jurisdiction.
- 5.4 References in Clauses 5.2 and 5.3 to a dispute in connection with this Release Deed include any dispute as to the existence, validity or termination of this Release Deed.
